NEW

NORDIC VACUUM BOTTLE

HBN02

- Noble Korean steel POSCO (18% chromium, 8% nickel)
- Maintains the temperature for 8h
- LFGB – the highest standard of food contact certification

The Nordic thermal bottle is made of the highest quality 18/8 stainless steel from a Korean company POSCO. Resistant to acids and carbonates, it combines durability with a sleek aesthetic. The solid powder coated finishing ensures resistance to mechanical damage, and also guarantees a safe grip. Double walls with vacuum insulation provide excellent insulating properties, while also preventing any discomfort caused by extreme temperatures. Capacity: 500ml
Certificates: Food Contact, BPA FREE, LFGB

WALL CLOCK S
WS10

Round clock with a universal black border and a plastic cover shield resistant to mechanical damage. The black hands contrast with the white dial, which can be additionally branded with your company logo to give the clock a unique look. The standard quartz mechanism provides convenience, and the quietly moving hands will not disturb your work at the office or rest at home. Packed in a factory box.

Batteries: AA (not included)
Clock size: Ø 24 cm

WALL CLOCK L
WS12

A round clock with a subtle white border and a plastic cover shield resistant to mechanical damage. The clock face is white and the black-colored hours have convex texture so that they are clearly visible. The standard quartz mechanism provides convenience and the quietly moving hands will not disturb your work at the office or relax at home. Packed in a factory box.

Batteries: AA (batteries not included)
Clock size: Ø 30 cm

CARD TOOL

MC150

A tiny survival card, made of high-quality hardened steel. Due to its small size, it is worth having it always with you in your wallet or a pocket. This compact gadget will be useful in emergency situations, so it should be in every expedition equipment.

Material: 3CR13 stainless steel
Dimensions: 3.4 x 6.1 x 0.3 cm

WALLET

SPN150

Designed for your everyday essentials, our Primo wallet features a main bill compartment, ensuring easy organization of your currency, additional compartments for your documents, and also a separate zippered pocket for coins. The wallet comes with a black metal badge, allowing you to add a personalized engraving.

The product is REACH certified.

COSMETIC BAG

FT150

Incredibly capacious travel cosmetic bag, it has a large zippered compartment and a handy sewn-in hook. The main compartment is fastened with a zipper, it has numerous tabs and pockets inside where you can store both cosmetics and medicines. Light and compact format – perfect for business trips, summer holidays or even the gym.

Dimensions: 31 x 21 x 11 cm

BELT BAG

LNN150

A small and handy belt bag with a webbing strap closed with a snap buckle. Made of strong material, it has reinforced walls so that it does not deform when worn, and the outside is decorated with subtle stitching. The main compartment – closed with a metal zipper – is equipped with an additional zippered pocket and a plastic snap hook where you can attach your keys, for instance. Total length of the strap: 104 cm

Dimensions: 17 x 12 x 5,5 cm

CITY BACKPACK

LPN150

Lightweight yet roomy, this backpack is equipped with two side pockets and one exterior zippered pocket. The main compartment has a sewn-in tuck ideal for a 15" laptop (which also holds A4-size documents). The back is reinforced with foam and finished with airy mesh for carrying comfort, the shoulder straps are adjustable; the product is also subtly decorated with white stitching.

The main material is microfiber with PVC backing.

Capacity: 23L Dimensions: 44 x 31 x 17cm

The backpack is REACH certified.

TRAVEL / SPORT BAG

LSN150

The incredibly lightweight and roomy bag will be ideal not only for physically active people but will also work well as luggage when traveling. Closed with nylon zippers, it has one main compartment, plus an adjustable webbing shoulder strap and reinforced handles for carrying the bag in hand. Made of microfiber with PVC backing, it features decorative stitching on the outside. Additional stiffeners on both sides make it easier to pack your belongings and give the bag the right shape.

Capacity: 35L

Dimensions: 49 x 27 x 27cm

The product is REACH certified.

HARVARD AUTOMATIC UMBRELLA

US15

A small and handy umbrella with DAS (Double Automatic System - automatic closing and opening). Its small size allows you to take the umbrella with you anywhere, so it is ideal for everyday use. Made of 180T polyester which makes the product lightweight yet reliable. The ergonomic handle covered with PU provides not only comfort but also a firm grip in your hand. The umbrella is completely windproof.

Protective cover included.
Diameter: Ø 99 cm

STANFORD BUSINESS UMBRELLA

UP15

A classic 8-panel umbrella with automatic opening function, completely windproof and lightweight despite its large size. Main material - 180T polyester, frame and shaft made of plastic with a solid metal frame and fiberglass finish, which shows high resistance to mechanical damage.
