

THERMAL VACUUM MUG

LEAKPROOF LID

PRIMO VACUUM MUG, 450 ml HD160

The leakproof thermal mug is made of high-quality stainless steel and finished with a matte powder coating, providing not only durability but also a great appearance. The ergonomic shape prevents the mug from slipping out of your hand. Double walls perfectly retain the desired temperature for up to 6 hours. The click closure design will keep your drink hot and safe from spilling. The product is certified for food contact and is BPA-free.

STAINLESS STEEL BOTTLE

ONE-CLICK OPENING

PRIMO STEEL BOTTLE, 500 ml HBN03

The steel bottle is made of durable food-grade 18/8 (18% chromium and 8% nickel) stainless steel, both on the outer and inner shell, ensuring the highest standards of quality. The ergonomic shape provides a comfortable and safe grip, preventing the bottle from slipping out of your hand. The innovative design includes a convenient one-click opening mechanism for quick and easy access to your beverage. When not using the bottle, you can lock the cap to prevent the contents from spilling. The product is certified for food contact and is BPA-free.

EVERYDAY SET FOR YOUR CONVENIENCE

SET: STEEL BOTTLE 500 ml & AUTOMATIC UMBRELLA HBN03/US15

A practical set for everyday use, it includes a steel bottle and an automatic umbrella. The bottle is made of durable 18/8 stainless steel, ensuring the highest standards of quality. The product provides a comfortable and safe grip, thanks to the ergonomic shape. The innovative design includes a convenient one-click opening. The folding umbrella is a high-quality product with DAS (Double Automatic System - automatic closing and opening) and the anti-wind system. It also features: a solid metal frame, fiberglass-covered ribs, and a handle covered with PU. The product is REACH certified. The set is packed in an elegant gift box.
